

OPT-OUT FORM

for nondisclosure of a secondary school student's name,
address, and telephone listing to military recruiters

Student Name:

School:

Date:

Section 9528 of the No Child Left Behind Act of 2001 requires schools to release our family's private information to military recruiters unless we 'opt out' in writing.

As a secondary school student, I am exercising my "opt-out" right to direct that my school and school district shall not release my name, address, and telephone listing to military recruiters without prior written parental consent.
